Let's get together

What's the big deal about The Connection?

"I cannot count the times that I have heard, 'I am so happy that I found other women that share my faith. This ministry is such a blessing!' It warms my heart to see TC ladies making new friends and loving on each other. Just love seeing God at work here!" - Mandy

"Two people are better off than one, for they can help each other succeed. If one person falls, the other can reach out and help. But someone who falls alone is in real trouble."

Ecclesiastes 4:9-10

We would love to hear how you have been blessed by The Connection. Tell us your TC story! Email: connectingwomenwithgod@gmail.com

Do you want to do more than just show up? Are you feeling led to help in some way? Consider volunteering or giving financially. Talk to a leadership member or visit our website to find out more.

We are growing & need more team members for welcome, care/serve, marketing, event planning, sharing through speaking or writing blogs. Let us know if you are interested or have questions.

Topic: Journaling the Bible

Our personal devotional life is a conversation whose purpose is the building of a relationship, a relationship with the Jesus.

As we spend time in the Word of God, as we pray, it can help us to picture Jesus sitting across the table from us at Panera and sharing a story with us. Or maybe he is telling us about a problem in the world that breaks his heart or a character quality he wants his followers to have because it looks like him. Journaling—whether through writing or visual art or music—can help us to process the Scriptures and connect with God, deepening our friendship with him.
